

HOPE • RESILIENCE • RECOVERY

Relationships Group

Fridays from 10:00 am-11:30 am

This is a group that helps clients build skills to form and maintain positive connection and interactions with people in their lives. Within a group setting, clients will discuss early stages of relationships, strategies for maintaining relationships, building trust, setting boundaries, and communication and social skills

For questions and pre-screening scheduling, Daniel Talley, LCSW 708 383 7500 ext. 320

Please note that this program may not be appropriate for everyone who wishes to participate. Pre-screening interview is required. Please call to get details about utilizing insurance benefits. This program may be free based on your insurance coverage.
