

## Job Posting Template: Part-Time Youth Therapist

### About Thrive Counseling Center:

Thrive Counseling Center envisions a world where mental health is valued, proactively nurtured, and is in reach of everyone. As a Community Mental Health Center, we are committed to serving everyone who needs our help. 90% of our clients have very limited financial resources and rely on our therapy and psychiatry services to live a full and balanced life. If you are passionate about equitable and affordable mental health for all, join us at Thrive to provide hope, resilience and recovery for those we serve.

### The Role:

We are seeking a Part-Time Youth Therapist (Counseling or Social Work) who embodies our core values of Compassion, Diversity, Equity, Inclusion, Accessibility, Collaboration, and Innovation. At Thrive, you'll be a key player in our multidisciplinary team, providing individual and family therapy to a diverse adult population. Our person-centered model ensures that every client is approached with dignity and respect, and our commitment to ongoing learning in DEI and accessibility is unwavering.

### What You'll Love About Working With Us:

- **Varied Experience:** Gain a broad skill set through dynamic and deliberate decision-making, detailed client care, and a wide range of experiences daily.
- **Professional Development:** Thrive offers free CEU trainings every month, along with both individual and group clinical supervision, to help you feel confident and supported in your role. You will also have unlimited access to an online learning platform, so you can delve deeper into your clinical interests with CEUs provided and completely paid for by Thrive.
- **Focused Support:** Concentrate on clinical work and professional growth while we handle client acquisition and administrative tasks.
- **Engaging Work Environment:** Facilitate therapy sessions, collaborate with peers, attend regular wellness workshops during the workday, and stay updated on mental health trends and policy.
- **Autonomy:** Lead or facilitate innovative therapy programs, with the freedom to develop new therapy groups based on identified needs and your professional interests.

**Benefits:**

- Free CEUs
- Annual Professional Development Stipend
- Malpractice insurance paid by employer
- Supplemental Insurance Policies available through Aflac
- Collaboration and support from a team of more than 35 clinicians
- Free parking
- Close to Oak Park's restaurants, shops, and public transportation
- Employee Assistance Program

**Qualifications:**

- Master's Degree in Counseling or Social Work
- Licensed to practice in IL or eligible for licensure
- Ability to work with a multi-cultural and diverse client base
- Experience with Medicaid Rule 132 preferred

**Schedule:**

- **Flexibility:** Must work 2-3 days per week, including at least an evening day; Saturdays optional.

If you're ready to bring your expertise and passion to a place where your work truly makes a difference, apply today to join Thrive Counseling Center. Help us continue our mission to provide hope, resilience, and recovery to those who need it most.
